Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Bulletin of Hamline University; November, 1923, Vol. 13: Departments of English, English Literature and Public Speaking Former bulletins of Hamline University have been devoted to the special interests of various departments, Sociology, Biology, Chemistry, Education, Physics, Music, Romance Languages. It is intended that the November number each year should make similar statements concerning the other departments, either singly or in groups. The present number then aims to give concise information concerning regular courses of instruction and extra-curricular activities in the departments of English, English Literature and Public Speaking. There is a natural bond of unity in the work of these departments; they are severally and collectively engaged in the work of improving student powers in speaking, reading and writing, three enormously important functions of all educated men and women.
