BURNING DOWN DISNEYLAND (PAPERBACK)

Gunpowder Press, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.I love the title of this book.and I love the innovative mischief of its poems. Let it be known: a true poetic intelligence and imagination lives between its covers. Thomas Lux, author of *To the Left of Time* *Burning Down Disneyland* is a remarkable work--poems that move in propulsive leaps, that crackle like fire. Olsson's lines unfurl with an almost molecular agitation, zinging at the speed of synapses as sparks fly from flints. These poems are wrought in the great invisible furnace of the psyche. Marsha de la O, author of *Antidote for Night* *For Burning Down Disneyland*, Kurt Olsson has risked the hazards of childhood and adulthood--both lethal as an alley in a kung-fu movie --gleaning from memory's usual store of shame and humiliation quality tinder to stoke the purifying, transformative flames of his often apocalyptic imagination. The resulting poems, freed of the dross of self-pity and sentiment, are playful, absurd, vulnerable, provocative, disquieting, and at times necessarily repugnant.but they are never ordinary, and, like their author, they never flinch. Mark Drew, editor of *The Gettysburg Review* Kurt Olsson is the author of one previous collection of poetry, *What Kills What Kills Us* (Silverfish Review Press). He lives and works just outside of Washington, D.C.
