Brand New Book ***** Print on Demand *****.Getting Your FREE Bonus Download this book, read it to the end and see BONUS: Your FREE Gift chapter after the conclusion. Composting Mini Farming Guide: (FREE Bonus Included) Proven Lessons For Self-Sufficiency from Your Kitchen to Your Backyard With so many stories of food recalls and harmful additives, pesticides, and growth hormones being placed in our food; quite a bit can be said for growing your own food. This book teaches you how you can grow excellent food right out of your backyard and have it serve up from the comfort of your own dinner table. Mini farming brings the fresh goodness of the garden right to your own kitchen cupboards. The lessons provided in this book will give you the peace of mind that only homegrown food can provide. It will also help your bottom line financially since you can cut your grocery bill in half simply by growing your own food. This book gives you just the information you need to get your own mini farm up and running in no time flat! Read further to learn more! In...
