Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. From the time she was a little girl, Maryam rebelled against the terrible second-class existence that was her destiny as an Afghan woman. She had witnessed the miserable fate of her grandmother and three aunts, and wished she had been born a boy. As a feisty teenager in Kabul, she was outraged when the Russians invaded her country. After she made a public show of defiance, she had to flee the country for her life. A new life of freedom seemed within her grasp, but her father arranged a traditional marriage to a fellow Afghan, who turned out to be a violent man. Beaten, raped, and abused, Maryam found joy in the birth of a baby son. But then her brutal husband stole him away far beyond his mother s reach. For many long years she searched for her lost son, while civil war and Taliban oppression raged back home in Afghanistan. Set against a landscape littered with tragic tales of horrific suffering, Jean Sasson, author of *Princess*, chronicles the story of one resolute but tormented woman determined to achieve freedom and equality with men.
