

The Rocky Road to La-La Land (Paperback)

By Bingham Valerie Valerie

Olympia Publishers, United Kingdom, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Just imagine you are an intelligent man who acts, writes plays, solves difficult crosswords, plays sport, eats sensibly, and yet succumbs to a terrible disease with no known cure. This is what happened to Valerie Bingham s husband, Jack, who now resides in a nursing home for the extreme mentally impaired. Now imagine what it is like to be married to such a man. This is their story, from the first signs of Jack s illness to the present day. However, it hasn t all been doom and gloom. They have celebrated their Golden Wedding, and still had hobbies and holidays - despite Jack s penchant for running up and down hotel corridors stark naked. Valerie has included useful information about social services, community nurses, Radar keys, respite care, day centres, and Age UK. More importantly, she has outlined what benefits you are entitled to, and what to expect in the way of funding, which is a minefield in itself. Valerie hopes that others in her position can learn from her experience.
