

What's Mine is Yours: The Rise of Collaborative Consumption

By Rachel Botsman, Roo Rogers

HarperCollins Publishers Inc. Hardback. Condition: new. BRAND NEW, What's Mine is Yours: The Rise of Collaborative Consumption, Rachel Botsman, Roo Rogers, WHAT'S MINE IS YOURS is about Collaborative Consumption, a new, emerging economy made possible by online social networks and fueled by increasing cost consciousness and environmental necessity. Collaborative Consumption occurs when people participate in organized sharing, bartering, trading, renting, swapping, and collectives to get the same pleasures of ownership with reduced personal cost and burden, and lower environmental impact. The book addresses three growing models of Collaborative Consumption: Product Service Systems, Communal Economies, and Redistribution Markets. The first, Product Service Systems, reflects the increasing number of people from all different backgrounds and across ages who are buying into the idea of using the service of the product-what it does for them-without owning it. Examples include Zipcar and Ziploc, and these companies are disrupting traditional industries based on models of individual ownership. Second, in what the authors define as Communal Economies, there is a growing realization that as individual consumers, we have relatively little in the way of bargaining power with corporations. A crowd of consumers, however, introduces a different, empowering dynamic. Online networks are bringing people together again and...
