Reviews

A must buy book if you need to adding benefit. I have read through and i also am certain that i will likely to read through once again yet again in the future. Its been designed in an exceedingly simple way and is particularly merely after i finished reading this publication by which really modified me, modify the way i think.

Excerpt: . . . Art. IX. --1. Notions of the Americans. By a Travelling Bachelor. 2 vols. 8vo. London, 1828. 2. Travels in North America. 1827-8. By Captain Basil Hall, R. N. 3 vols. 8vo. Edinburgh, 1829. Xtd a new planet dropped at once alongside of the old, Europe--could not have been more astonished than when she opened her eyes, at the first discovery of America, on the unknown companion which had been sleeping for ages at her side. It was the heroic age of Geography. The outline, too, of this new nature, seemed struck with a bolder hand. The contemporaries of an event so marvellous, may be well excused, if, amidst the novelty of such excitements, their expectations were turned more towards an El Dorado, and a Fairy Land, than to any mere variety and modification of their own worn and work-a-day world. A long and painful interval has passed. Philanthropy will now do well to look back and contemplate the reproachful contrast of the little that has been accomplished for human happiness over so large a portion of the earth, in comparison with what might and ought to have been achieved, by the European masters, who took this godlike responsibility into their hands. The heirs of Christopher Columbus have scarcely done less for the great personal object which, by his will, he emphatically enjoined on them--the appropriation of their expected riches on another Crusade for the recovery of the Holy Sepulchre from the Turks. Three centuries...
