Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Descendant: A Novel The child sat upon the roadside. A stiff wind was rising westward, blowing over stretches of meadow-land that had long since run to waste, a scarlet tangle of sumac and sassafras. In the remote West, from whose heart the wind had risen, the death-bed of the Sun showed bloody after the carnage, and nearer at hand naked branches of poplar and sycamore were silhouetted against the shattered horizon, like skeletons of human arms that had withered in the wrath of God. Over the meadows of amber light of the afterglow fell like rain. It warmed the spectres of dead carrot flowers, and they awoke to reflect its glory; it dabbled in the blood of sumac and pokeberry; and it set its fiery torch to the goldenrod till it ignited and burst into bloom, flashing a subtle flame from field to field, a glorious bonfire from the hand of Nature. To open road wound lazily along, crossing transversely the level meadow-land and leading from the small town of Plaguesville to somewhere. Nobody - at least nobody thereabouts - knew exactly where, for it was seldom that a native left Plaguesville, and when he did it was only to go to Arlington, a few miles farther on, where the road dropped him, stretching southward. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
