

Hitting Home: Great Depression in Town and Country (Paperback)

Filesize: 3.06 MB

Reviews

It in a of the most popular pdf. It really is full of knowledge and wisdom Its been developed in an exceptionally easy way and it is just right after i finished reading through this publication by which really altered me, alter the way in my opinion.

(Dr. Alexa Rogahn)

HITTING HOME: GREAT DEPRESSION IN TOWN AND COUNTRY (PAPERBACK)

Ivan R Dee, Inc, United States, 1989. Paperback. Condition: New. Revised ed.. Language: English . Brand New Book. We know a great deal about what went on in the White House and at the federal level to combat the gravest economic crisis in the nation s history; we know much less about what it was like at the grass roots, in cities, towns, and communities throughout the country. Hitting Home is absorbing reading because it describes the problems of the depression on a scale we can all comprehend. Mr. Sternsher has selected twelve historical articles which fill in the local picture in compelling detail-from New York s Harlem to Orange County, California; from Minneapolis to the Oklahoma Indians. The reader comes away with a real feeling for the immediate problems that the depression created, and an understanding of the difficulties faced by local governments. In a notable introduction, Mr. Sternsher considers how little the people demanded in the face of adversity, and how this inaction squares with the ideas about the American character. And in a new closing chapter, he draws important conclusions about whether people blamed themselves for their troubles. The emphasis on the local scene is a real breakthrough in our understanding of the depression. -Alfred B. Rollins, Jr.
