WHEN WOMEN WERE BIRDS: FIFTY-FOUR VARIATIONS ON VOICE (PAPERBACK)

Picador USA, United States, 2013. Paperback. Condition: New. Reprint. Language: English . Brand New Book. I am leaving you all my journals, but you must promise me you won't look at them until after I'm gone. This is what Terry Tempest Williams' mother, the matriarch of a large Mormon clan in northern Utah, told her a week before she died. It was a shock to Williams to discover that her mother had kept journals. But not as much of a shock to discover that the three shelves of journals were all blank. In fifty-four short chapters, Williams recounts memories of her mother, ponders her own Mormon faith, and contemplates the notion of absence in art and in our world. *When Women Were Birds* is a carefully crafted kaleidoscope that keeps turning around the question: What does it mean to have a voice?.
