THE PINKER PRINT (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Chimmy Lawson started off as a mere social media caption enthusiast, writing humorous and often controversial anecdotes about her life and beliefs on Instagram. Her debut masterpiece, The Pinker Print can best be described as an extended account of her views on topics particularly important to the young, modern woman. The self-proclaimed funny feminist, has managed to articulately tackle the subjects of love, race and role models (among others), not with the intention of changing your life but with the determination to spark a new or alternative thought process. Laugh with her, lament with her or lob the book at her. The Pinker Print is not just to be read, but to also be the raging result of a wealth of both welcome and hostile feelings.
