Just outside the city s River Arts District sits a large auction house, owned and run by kind, family man Kane Landon. One day, on his way home from work, something happened to Kane. What would be considered a trivial event to most people, changed him dramatically. It set him on a deadly course, threatening his family and everyone else in the small town. Walk in Kane s shadow as he spirals into a darkness from which he fears he cannot return. Live vicariously through him as the demon that dwells inside of him emerges; a demon that thrives on the pain and suffering of others and leaves the streets of the city stained crimson from the blood of its citizens. Watch with Kane s eyes as his victims shudder in fear when they encounter the imposing man. Feel his pain as he wrestles with the monster inside. Tormented, he tries to make sense of what is happening to him, all the while knowing that death is all he has left to offer the world. Finally, Kane must make the most difficult decision of his life. Will he keep living in two worlds? One world with the family that he would give his life for, and the other. as a sadistic serial killer. Or will he completely free the monster inside, allowing the demon to murder at will, giving the beast permission to fill its own private cemetery.
