Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The Library and Social Movements: A List of Material Obtainable Free or at Small Expense It is of course generally conceded that the day has gone by when the library can be a store-house of the classics and of standard literature and nothing more. It is not enough that to these it adds literature that refreshes and amuses, poetry that pleases, and art that elevates. The librarian is not through when to these she adds work with children, with schools, with women s clubs. Every one of these features of library work is important, is indispensable, and must be present in every library. We must remember that the world, politically, economically and socially is traveling at a (tremendous rate. Methods of government, of business, of industries, of education, have changed essentially during even the last ten years. Political parties are striving to accomplish different things by different means. Legislators are invoking new devices to regulate human affairs. The universities, particularly in all branches of learning relating to the humanities, are occupying a field almost unknown...
