As if being an Alpha werewolf wasn't bad enough, life just keeps getting harder for Rylie Gresham. Someone's sending her threatening messages and silver bullets. Pack members are vying for dominance. And she might be falling in love with her boyfriend's brother. Abel's challenging in every way: rude, brash, and quick to violence. But he wakes up Rylie's animal urges in a way that Seth, her long-term boyfriend, has never done before. He runs with her as a wolf on every moon, and she can't stop thinking about him on the long days in between. Seth's been away at college, and he comes back ready to get married. Rylie's human side still loves him, but her inner beast longs for a mate of its own kind, like Abel. Now Rylie has to make the hardest decision of her life. She has to choose between the man she needs. . . and the man she wants. The Cain Chronicles is a paranormal romance originally published as a serialized novel. This collection contains: 1.
