After a spin-off, it operates today as the Independent Publishers of New England. During the time of founding, I started a broadcast radio show on WORC 1310 AM and WGFP 940 AM in central Massachusetts creating a publicity venue for New England authors. I have worked with experts in the industry and developed new writers to become authors and eventually experts in the industry. The writing of this book and course Getting Your Book on Amazon for Free occurs during my 20th year in the business. In the year 2014, I will reach my 20th anniversary with a trail of success stories, testimonies, experiences, technology...
