The Revival of Interest in the Country Church (Classic Reprint) (Paperback)

By Warren Hugh Wilson

Forgotten Books, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Revival of Interest in the Country Church There is no need to take time to sketch for this audience the revival of interest in country life and in rural institutions. Before the report of President Roosevelt s Country Life Com mission was published the problem was sociological and was concerned mainly with New England. Since that time it has been an economic group of problems, because that Commis sion insisted that the causes of rural changes are in the social economy. The Way the farmer gets a living is undergoing reconstruction, and with it rural institutions are being rebuilt. There are those-i wonder if any are here present - Who believe that the farmer will desert his home in the country and come to live in villages. Already the merchant has gone to the village, the better schools are in the villages, and it is hard to improve the country schools. It looks as if the farmer Were abandoning the one-room rural school. The preachers throughout the United States generally live in the villages, and preach in the...
