## THE OLD IRISH WORLD (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The Old Irish WorldCHAPTER I THE WAY OF HISTORY IN IRELANDIN all the countries of Europe the study of history for a citizen of the State is taken for granted, as the study of tides and currents might be held necessary for a mariner, or of the winds for an air-man, or that of the map for a merchant. It is only a dozen years ago, however, that its study was made compulsory in elementary schools in England, and in that country men are still discussing, by way of lectures and so forth, "What is the Use of History." The historical instinct among the English people has indeed never been very keen, so that, as learned men tell us, it would be more difficult to form a folk-museum in England than in any other country, so few are the objects of a distinctly national character that have survived. The past is rapidly overlaid among men who live intensely in the present and the immediate future. A great gulf separates them from a race like the Irish, to whom the far past and the far future are part of the eternal present, the very condition of thought, the furniture without which the mind is bare.
