BLOOM WHERE YOU RE PLANTED: AN INSPIRATIONAL COLOURING BOOK (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.An inspirational colouring book for adults, teens and children. - I have a passion for art and helping to inspire everybody to become their best selves, so I created this colouring book to let your positivity and creativity flow. - This book features 30 one sided illustrations plus 6 one sided note pages at the back for your own quotes, thoughts or doodles. - In this book you will find portraits, flowers, butterflies and quotes. - There is also room to add to some of the illustrations if you wish! - I recommend using colouring pencils such as prisma colour and polychromos as createspace paper is medium to thin. However if you would like to use markers or anything similar I highly recommend placing a few sheets of paper or card in between pages to prevent bleed. - Please share your coloured images with me on Instagram, Twitter and Facebook, all links are in the book. - May you all bloom where you re planted. with love.
