AUTHORHOUSE, United States, 2014. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Lord, please continue to have mercy on humanity. You have made provisions for everything we need in this world and the world to come. Yet many people although desire good life, are suffering, some are confused, others are desperate, families are broken down, our nation is struggling to cope, many people are lost in spiritual matters and sin. In this book, the author s main argument is that God, in his unfailing love for humanity, has already provided what people are frantically seeking in life. What people need to do is to turn to the Holy Scriptures for guidance. This book can be of such help. You see, when life is calm, our foundations don t seem to matter. But when crisis come, our foundations are tested. In this book, the author also argues that it is a waste of time and effort for people to build their lives on a faulty foundation. Jesus describes God s principles as a solid foundation for people to build their lives on. We are strangers in this world; therefore we need someone who knows the journey of life to guide us. God is the creator of this world, and He alone knows the in and out of this world. His principles provide guidance for a perfect life. The attempts by some groups of people to suppress the knowledge of God in the society have not been very helpful in many ways, although they could not succeed. For example, these people could not provide the society with any viable alternative guiding principles on how people should live their lives. This has led many people to turn to wrong sources for guidance, sometimes with very little success..
