There are plenty of books that will show you how. Doing Bird tells you what it s like, charting the highs and lows in the year of an amateur hen keeper and his flock.Split into months and seasons, Doing Bird is an extension of Gurdon s highly successful Sunday Telegraph Hen and the Art of Chicken Maintenance column, and brings out the characters and idiosyncrasies of the birds themselves.Highlights include Bombay the Indian runner duck s unrequited and very non-platonic love for Bella the chicken. Sven the rheumatic, pensioner cockerel s last stand against a marauding fox, and his son Svenson s sometimes awkward transition from teenaged pretender to putative Alpha male with a dodgy aim. We see the power play between flock old stagers Peeping Chicken, Anne Summers, Brahms, Meringue, Bella and Nude to new arrivals Squawks 1 and 2 and the pair of birds initially known as the other two, until one of them tries savaging the author s hand and is re-christened Slasher -leaving her colleague with the sobriquet of Too .
