STEP BY STEP KNIFEMAKING: YOU CAN DO IT!

Chelsea Green Publishing Co, United States, 2002. Paperback. Book Condition: New. Revised. 234 x 190 mm. Language: English . Brand New Book ***** Print on Demand *****.A knife is the most basic tool, and the average adult uses a knife almost every day. Yet there are very few individually made knives in existence, and few people who know how to make knives. Step by Step Knifemaking, by master knifemaker David Boye, is widely regarded as the classic on the art of handcrafted knives. Thorough, clear, detailed instructions guide the reader through each step in how to make a knife. Generously illustrated with photos and drawings on most pages, this book reads like a one-on-one workshop with a thoughtful teacher. The reader is led to discover the spiritual connection between himself and his work, to develop his sense of artistry, and to acquire practical skills for self-sufficiency. Completely self-taught, the author guides the beginning knifemaker through the thinking processes necessary to make a knife; inspires confidence in the reader to begin at his own skill level; and shows how it can be done on a financial shoestring. Topics covered include tools, setting up a shop, knife design, grinding, heat treating, polishing, sharpening, blade etching, sheath making, and more. Boye s outdoor knives, kitchen cutlery, and utility knives are functional and peace-loving, and the chapter on etching designs into the blades is one of the few guides to this unique art in print. With over 175,000 copies in print, Step by Step Knifemaking has deeply moved thousands to involve themselves in this craft, and they constitute a visible portion of today s knifemakers. This book can impel the reader to a personally satisfying, alternative backyard career, making his own useful knife art. It is an enjoyable, indispensable reference for those wanting to...
