She was not a beauty, but there was something striking about her long, thick lashes and her light brown eyes, twinkling with specks of gold. She always knew what people were thinking, and she was full of youthful vigor. Now, shes on the run, fearful that she might meet the same fate as her deposed and fallen husband at the hand of enemy soldiers. But a sword called The Kings Mirror, bestowed to the rightful rulers of the Haniji dynasty, might still be able to save the Hokuzan kingdom. Only the rightful ruler can cast his reflection in the sword, but enemies of the kingdom are out to acquire it.
