Reviews

I actually began looking over this ebook. I could possibly comprehend everything using this published e publication. You wont feel monotony at at any time of your time (that's what catalogues are for regarding if you request me).

(Arnold Nienow)

THE STORY OF ATLANTIS

Book Jungle. Paperback. Book Condition: New. Paperback. 84 pages. Dimensions: 9.0in. x 7.3in. x 0.3in. A record of the world's progress during the period of the Atlantean Race must embrace the history of many nations, and register the rise and fall of many civilizations. The destruction of Atlantis was accomplished by a series of catastrophes varying in character from great cataclysms in which whole territories and populations perished. When the destruction was once inaugurated by the first great catastrophe there was no intermission in the minor landslips which continued slowly but steadily to eat away the continent. Four of the great catastrophes stand out above the rest in magnitude. The first took place in the Miocene age, about 800,000 years ago. The second, which was of minor importance, occurred about 200,000 years ago. The third, about 80,000 years ago was a very great one. It destroyed all that remained of the Atlantean continent, with the exception of the island to which Plato gave the name of Poseidonis, which in its turn was submerged in the fourth and final great catastrophe of 9564 B. C. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
