Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. An executed criminal, a lingering doubt about his guilt and a hunt to find a twenty year-old truth. Guilty? is a fast paced crime story based in the tri-state area of West Virginia, Ohio and Kentucky . Trevor Lloyd Morden died from lethal injection in the South Ohio Correctional Facility. He had five appeals and lost them all, not only because the evidence is against him but also because the victim s father, William J. Wendover, fought to ensure his daughter, Billy Jo s, killer gets what he deserves. Morden had nothing to leave behind except one thing, a dying declaration that he was innocent. That man is Dean Witton, ex-marine, ex-cop and ex-husband. His wife left him virtually broke so he bought a store, lives in the back room and works as a private investigator where West Virginia, Ohio and Kentucky meet. Despite being wary of getting involved with women again, Dean is good friends with Steph Taylor, the owner of a neighboring store. Steph is an enigma. Smart, blonde and beautiful, she makes it clear that she would not be against deepening the friendship with Dean. Steph persuades Dean to let her tag along as they begin looking into Billy Jo s murder by visiting the prison. It seems an ordinary case but the deeper they delve the more mud they stir until Dean himself is being stalked by someone with homicide on...
